

How to apply

If you would like to join Freman College Sixth Form please complete the application form, which can be found on the next page, to tell us your initial subject preferences. The completed forms must be handed in to the college office by **MONDAY 17th JANUARY**.

How to complete application forms:

When you have sought advice from your subject teachers and your parents, please tell us on the application form the subjects you wish to take, by numbering them 1-3 in order of preference. If you wish to take Maths or Further Maths as an AS Level in addition to three A level subjects, tell us this on the form.

You and your parents will be invited to an online interview in the Spring Term to discuss your preferences. You will get advice about the combination of subjects you have selected and their suitability for any future study or career plans you may have. At the end of the interview your final preferences can be confirmed.

Decisions made now are not binding, and we will try to accommodate your choices as far as possible.

You may change your choice of subjects at a later stage, but not all combinations of subjects may then be possible.

APPLICATION TO JOIN FREMAN COLLEGE SIXTH FORM

NAME TUTOR GROUP.....

CHOICE – numbered 1 to 3	A LEVEL COURSES
	ART
