

If you can't get on using an **Android** phone

Your phone settings may block cookies. If so, when trying to access Active Learn via your phone, you will see this:

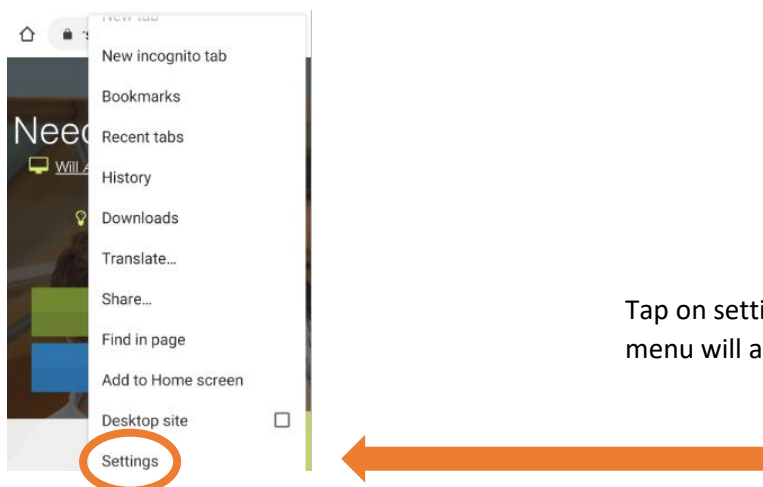

You will need to allow cookies and pop ups.

On Google Chrome, open the Chrome App – it can be any website:

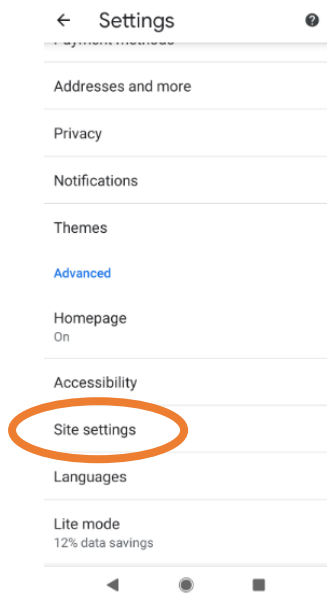

Tap the three dots on the top right of your page. A drop-down menu will appear.

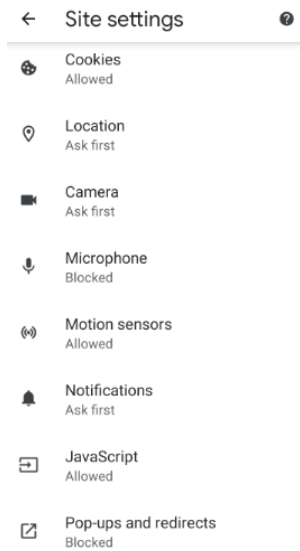

Tap on settings. Another drop-down menu will appear.

If you can't get on using an **Android** phone

Tap Site settings – you may need to scroll down. Yet another menu!

Both Cookies and Pop-up now need to be set to “allowed”

Everything should now work. Go to Pearson Active Learn and check.
