

Getting Active Learn on your mobile phone for the first time.

Use the browser on your phone to search for “Pearson Active Learn”. (If you just search for “Active Learn” it will find the Primary School site):

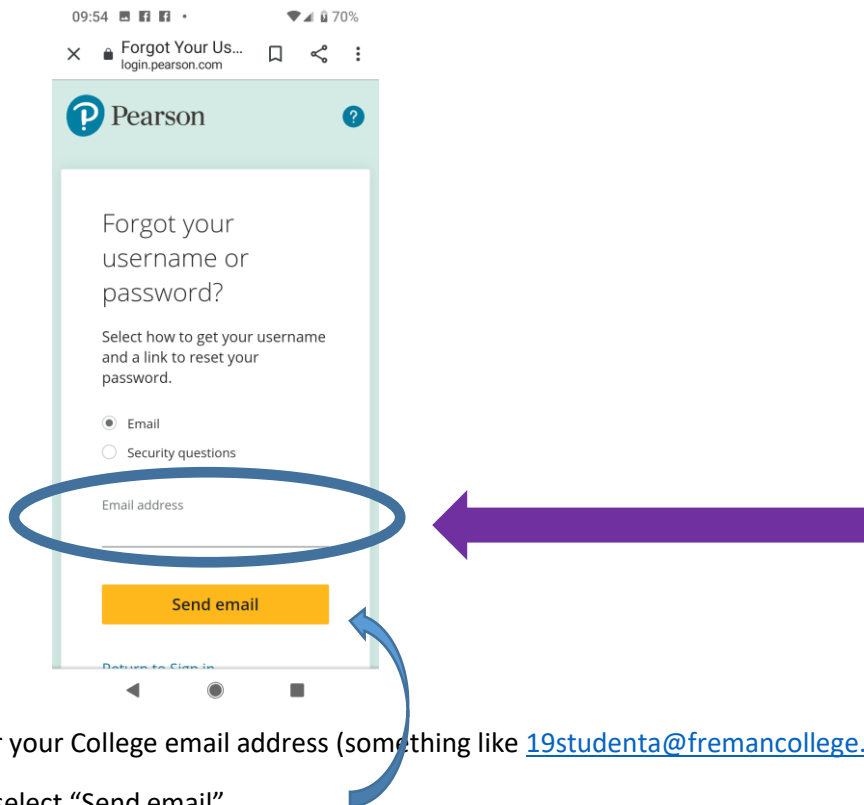

Select [www.pearsonactivelearn.com](http://www.pearsonactivelearn.com) and this will take you to the Log In page:

The school has already registered you.

If this is your first time. You will need to select “forgot your password?”

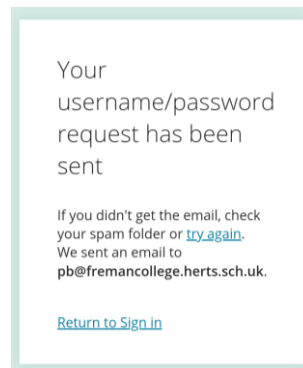

Getting Active Learn on your mobile phone for the first time.

Enter your College email address (something like [19studenta@fremancollege.herts.sch.uk](mailto:19studenta@fremancollege.herts.sch.uk))

And select "Send email"

You will see the following message.

Go to your College email account to recover your password and then return to the original screen to log in.
