

How to use ActiveLearn

Start by using your browser to search for 'Pearson ActiveLearn', this will stop you from accidentally choosing the Primary School version. (if it asks for a school postcode, you're in the wrong place)

The front page will look like this:

If you have forgotten your password click here

Otherwise, click on  and you will be taken to the sign in page:

Sign in

Username

Password
 [Show](#)

This will be your normal school email address

[Forgot your username or password?](#)

Click here if have forgotten your password. Nobody can do this for you.

This will take you to the online book(s)
