

March 2022

Dear Parent / Carer

Schoolcomms and School Gateway

Many of you will be familiar with the Schoolcomms and School Gateway package from your current schools and it is our preferred method of communication and online payment system.

Schoolcomms allows us to send emails, progress reports, timetables and exam timetables home electronically, and you will be able to make online payments via the School Gateway website, www.schoolgateway.com, or free app. As we are a cashless school we also offer payment via PayPoint.

If you already have a School Gateway account and supply us with the same email address and mobile number that you used to register for this service, your account will automatically be linked with Freman College.

New users can register for the School Gateway, using the email addresses and mobile numbers supplied on the New Student Information Form, by following the instructions below:

Download the app: If you have a smartphone, please download School Gateway from your app store (Android and iPhone).

Or

Visit the website: www.schoolgateway.com and click on 'New User', enter your email address and mobile number. You will receive a text message with a PIN number. Use this PIN to then login to School Gateway as an "Existing User".

If you have not received any emails from Freman College by the end of the first week back in September, please contact the college office on: 01763 271818 in order that we can check we have the correct contact details.

Schoolcomms is registered with the data protection act. All information you provide will be kept private and will not be passed on to any other organisation. Your details will only be used for the purpose of school business. You will not receive any SPAM or marketing material.

Yours sincerely

C Jones
