

When you are asked to submit work via Show My Homework please ensure you use the following steps.

Don't click the results button. This is for when teachers have given you a grade or feedback

Click the submit button to hand in homework

The screenshot shows a homework submission interface. At the top, there is a search bar labeled "Search for homework" and a user profile "EN". The main heading is "Day 6 Period 1: Introduction" with a group identifier "9D/Fp1". Below this, there are three tabs: "Description", "Results", and "Submit". The "Submit" tab is highlighted with a green arrow pointing to it from the callout box. To the right of the tabs is an "Actions" dropdown menu. The main content area shows a message from Mrs S. Malone and a task description. The task description includes a greeting, a task about a digital online textbook, and a list of login credentials.

Task description

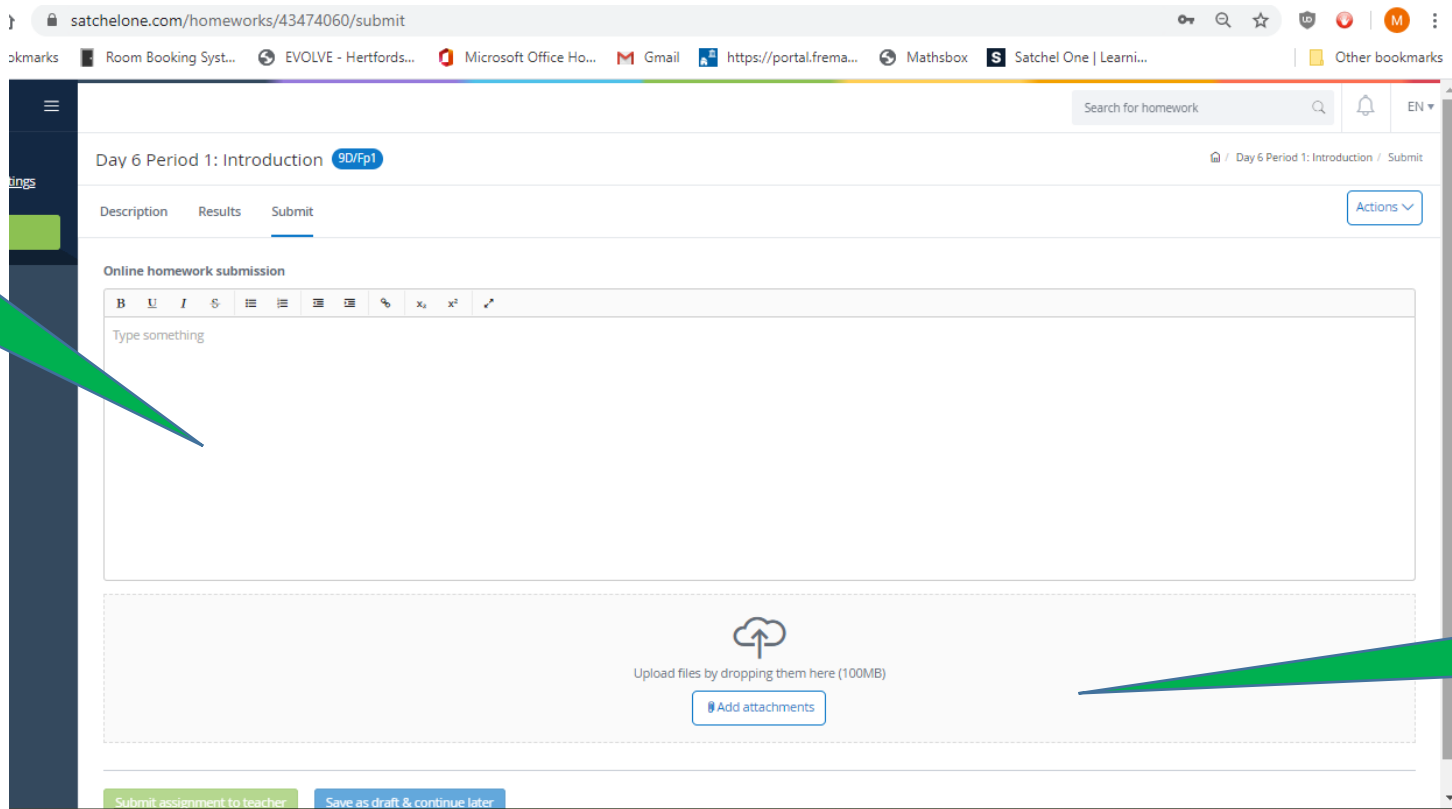

Morning! Hope you had a good Easter and are looking forward to starting your GCSE in Food Preparation and Nutrition. Here are the first few tasks to get you set up and ready for work next lesson:

Task 1: There is a digital online textbook that I would like you to use to help support your lessons and to watch useful animation and videos about the course. Please could you try and log into the book and send me a comment on the upload button that says whether you have been successful or not.

- Go online to: <https://illuminate.digital/eduqasfood/>
- Username: **SPREMAN4**
- Password: **STUDENT4**

Once you have clicked the submit button, you will see this screen. You can either type your work into this box or add an attachment. Sending a comment (found on the result page) doesn't alert your teacher that you have submitted work
